Hi everyone,

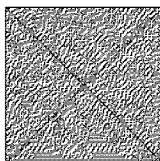

Thank you all for responding on this one! It is now time to go ahead and print out whatever emails you have for this request. Again it's:

- **Emails to/from you and anyone at  (1/1/16 - 5/23/19)**
- **Emails to/from you and anyone at  (1/1/16 - 5/23/19)**

Please print them out and give them to me. Please do **not** email them to me. When giving them to me, **please make sure to redact personal information (if there is any)** from the emails. Let me know if you have any questions over what should or should not be redacted.

I plan to complete this by **Wednesday July 31st** so everyone's got some time. Let me know if you have any questions or concerns.

Thank you!

All - please search your emails for:

You don't necessarily need to start printing out and redacting just yet; please do a search and let me know if anything comes up. If anything DOES come up, please give me a ballpark of how many emails. An estimate is fine.

Thank you,
